Residential Rubbish Removal & Recycling

Contact us: cem1964@comcast.net 508-255-9205

RUBBISH REMOVAL DETAILS & FEES:

- Trash pick-ups are **twice a week** on **Wednesday & Saturday** between 7:30 AM and 7:30 PM
- We pick up **anywhere on property**, as long as **it's accessible & location is consistent** weekly.
- **Rubbish must be in plastic bags**; no loose trash please!
- Cost is **\$15 per pick-up**; our standard service has **two trash pick-ups per week** (total \$30/week).
- This fee covers **up to three 32-gallon barrels or bags** per visit (i.e. standard Rubbermaid barrels at Ace Hardware). *Please*, no larger barrels or dumpster-style barrels as we lift barrels by hand!
- A \$5 fee is charged for each barrel or bag beyond three 32-gallon barrel/bag limit. Additional fees may apply to service other than the standard schedule outlined above.
- Provide at least **72 hours notice for changes** in your pick-up schedule including adding and canceling dates.

RECYCLING DETAILS & FEES:

- Recyclables are collected once a week on Friday between the hours of 7:30 AM and 7:30 PM
- Cost is **\$12 per pick-up** which covers **up to one 32-gallon bag/barrel of recyclables** plus separated paper.
- Eastham accepts plastics # 1-7, **glass, tin cans, aluminum, newspaper*, cardboard*, and mixed paper*** (includes magazines and cereal boxes). *Plastic bags, Styrofoam, and baby diapers are not recyclable!*
- We offer an **easy, co-mingled service**. How to prepare recyclables:

Place all **plastic, glass, tin** and **aluminum** together in one plastic bag.

Put newspaper*, mixed paper*, and cardboard* in a separate bag to keep it dry.

**NOTE, new for 2017: We will NOT be collecting newspaper, mixed paper, and cardboard during July and August. Regrettably, we have experienced a repeated lack of separation of these items from the other recyclables which fouls the waste stream. Please either save these items for us to collect in September or place them in the rubbish. Questions? Call 508-255-9205.*
