- **Rubbish must be in plastic bags**, bags tied and ready to go; no loose trash please!
- The fee covers **up to three 32-gallon barrels or bags** per visit (i.e. standard Rubbermaid barrels at Ace Hardware). *Please*, no larger barrels or dumpster-style barrels as we lift barrels by hand!.

RECYCLING DETAILS:

- Recyclables are collected **once a week** on **Friday** between the hours of 7:30 AM and 7:30 PM.
- The fee covers **up to two 32-gallon bags/barrels of co-mingled recyclables**, plus separated paper*.
- We accept clean **plastics #1-7, glass, tin cans, aluminum, newspaper*, cardboard*, and mixed paper*** (includes magazines and cereal boxes). *Plastic bags, tinfoil, Styrofoam, and baby diapers are not recyclable!*
- We offer an **easy, co-mingled service**. How to prepare recyclables: Place **clean and emptied plastic, glass, tin** and **aluminum together in one or two plastic bags**. Put newspaper*, mixed paper*, and cardboard* in a separate bag.

***NOTE:** We do NOT collect newspaper, mixed paper, and cardboard during the months of July and August.

Regrettably, we experience a repeated lack of separation of these items from the other recyclables which fouls the waste stream. Please either save these items for us to collect in September or place them in the rubbish. Questions? Email us at address above.

- We pick up **anywhere on property**, as long as **it's accessible & location is consistent** every week.
- For changes to your service, please provide at least **72 hours notice by email or voicemail**. Texts and word-of-mouth to drivers cannot be honored, sorry.
- A \$5 fee is charged for each barrel or bag of rubbish or recyclables beyond three 32-gallon barrel/bag limit.
- **All rubbish and recyclables must be in plastic bags**, tied and ready to go. Extra fees may apply for loose items.
